Amber Greene

Library Director

Amber Greene is honored to serve the Eaton community as the Library Director since July 2022. She graduated from UNC in 2012 and spent the next 10 years working in public libraries in Northern Colorado. She has a Master's Degree in Library and Information Science from Kent State and has specialized in the areas of youth literacy, technology services and library leadership. Amber enjoys reading, cooking, paddleboarding, and hiking with her rescue dogs. It has been her dream to work at a small-town library, very much like the one that changed her life as a child, and she looks forward to honoring Eaton library's historic past while growing it into the future.

Caroline McIntyre

Assistant Manager

Caroline McIntyre started at the library in September 2022 and serves as the Assistant Manager. She loves living in Colorado with her partner and their dog, but she is a Hoosier by birth. She graduated from Indiana University in 2017 with a dual degree in History and Environmental Studies. In 2023 she received her Master's of Library and Information Science from San Jose State University. In her free time, Caroline rock climbs, skis, and hikes. She loves everything about working at the library, but her favorite parts of her job are creating art and music with kids and sharing her love of fantasy novels with patrons of all ages.

Angie Martin

Children's Library Associate

Angie is a proud resident of Eaton and a devoted mother of two boys, Zachary and Shawn. With a strong background in teaching, she earned her AA in Early Childhood Education from Aims Community College in Greeley and has spent over 10 years teaching in various preschool classrooms. Currently, Angie is excited to share her love for books with the community as she takes on a new role in the library.

Daniel Carey

Technology Services Coordinator

Daniel started working at the library in November of 2022. Since then, he has hit the ground running with hardware installations, tech drop-ins, revamping the Makerspace and much more. He has a passion for all things technology but specializes in networking and cybersecurity. Daniel is CompTIA certified in A+ hardware/software, networking, and cybersecurity. Daniel is always furthering his knowledge by obtaining new certifications. In his free time, he enjoys traveling, working out, video games, and working on his home lab

network. His favorite part of his job is teaching teens and adults PC Building, Networking, and Cybersecurity.

Michelle Grey

Library Associate

Michelle Grey, a nature enthusiast, was raised in a small town, igniting her lifelong passion for the environment. Graduating from Colorado State University with dual degrees in Environmental Health and Biology, she dedicated herself to preserving nature's beauty. Through an internship with Colorado State Parks and Wildlife, Michelle met her husband, Eric, a shared love for conservation uniting them. For 15 years, they've called Eaton home, raising their two sons, Anthony and Alexander. Michelle's heart belongs to the

outdoors—fishing, hiking, paddleboarding, and camping—and her love extends to animals, caring for a Yorkie dog and a cherished flock of hens. Actively involved in community conservation efforts, she inspires others to value and protect our natural world.

Rebeca Cox

Outreach Librarian and Interim Adult Librarian

Rebeca works as the Outreach librarian at the Eaton Public Library. Rebeca is passionate about equal access to information to all and providing high quality library services to the residents of Eaton. She is currently working on obtaining her Masters of Library and Information Science. When not at the library, she is spending time with her husband and three dogs, volunteering at the Humane Society, or listening to a true crime podcast.

Experienced Executive Assistant at the Eaton Public Library. Skilled in scheduling, excel, SharePoint, and Microsoft Office. She is also a notary and a proud mother of three children. At Eaton for 16 years, she loves her community and is committed to serving its citizens to the best of her ability. She is organized, detail-oriented, and dedicated to her professional role in ensuring the library runs smoothly. She enjoys spending time with her family and

engaging in community activities.
