

Cricut 3 Certification Quiz

For you to become certified to use the Cricut Maker 3, you must answer each question in the quiz below and get 100% correct. You may take the quiz as many times as you need in order to pass. Cricut Maker 3 certification is good for one year, then you must be re-certified

1. If my reservation is from 12pm to 1pm, when must I be done using the Cricut?
2. True/False: I am allowed to make offensive designs on the Cricut.
3. Are you allowed to bring in your own materials and use them without permission?
4. True/False: I can change out the cutting blade without asking permission.
5. If the Cricut begins to make strange noises and my design is printing incorrectly, what should you do?
