

INSIDE EATON

JANUARY 2024

TRASH FEE INCREASE

Starting in this month's bill, you'll see a 3% increase for trash removal services, as Waste Management has increased their rates. If you use a 96-gallon trash bin, the new monthly rate is \$22.69. Additional containers or recycle bins are \$5.81.

ARE YOU OUR NEXT BOARD OF TRUSTEES MEMBER?

If you are passionate about the Eaton community and have considered getting more involved with your town, the Board of Trustees may be a great fit for you. Our mayor position and three board seats are up for election on April 2, 2024. If you want to run for

the Town Board of Trustees, pick up your nomination petition from the Town Clerk's office. Petitions must be completed and returned by January 22 at 5 p.m.

Absentee voter ballot applications are also available for pickup and are due back by March 29.

TAKE OUR PARKS MASTER PLAN SURVEY

The Town will complete a new Parks Master Plan in 2024 and we want to ensure it aligns with the community's vision for the future. Take our short survey to tell us what you love about our parks, the amenities you wish we had, and your overall thoughts on the future of our recreation amenities.

This survey also asks specifically about Eaton Commons Park. The Plan will provide a framework to improve our parks, recreation facilities, programs, open space, and green infrastructure.
