

INSIDE EATON

MARCH 2024

EASTER BASKET DRIVE

The Police Department is collecting baskets, plastic eggs, candy, small toys, and stuffed animals for the annual Easter Basket Drive! You can drop off donations at the police department or Dollar General until March 22.

UTILITY RATE INCREASE

In 2023, the Town conducted a rate study to evaluate whether it collected enough revenue to cover water, irrigation, and wastewater operations, maintenance, capital reinvestment costs, and replacement projects. The study, conducted by a third-party consulting firm, revealed that the current rates were not covering all necessary operational costs. The Town will be raising utility rates effective April 1, 2024. The rate increase also includes a new tiered system for residential rates.

Residential customers can expect the base water rate to increase from \$49.12 to \$58.09, and base sewer rates will increase from \$29.15 to \$33.48 per month. More information can be found on the Town's website. Customers will receive their first bill with the new rates at the beginning of May as the Town bills in arrears.

DOWNTOWN CONSTRUCTION UPDATE

We're gearing up for our downtown revamp this summer. Construction is estimated to begin in June. Sign up to receive specific email updates about this project and find more information on our website, including key dates, community involvement, and what's included in the project.
