Mission Statement: Friends of the Eaton Public Library is a non-profit, community-based organization dedicated to the support and promotion of the library. Our volunteers serve as advocates for the library and work to increase awareness of its value to the community through the following:

- Community awareness and outreach
- Supporting programming and special events
- Publicizing the range of resources and services provided by the library
- Viable commitment of support for the library staff
- Promoting the historical significance of the library to the community
- Developing a liaison between the library and the local schools
- Facilitating the disbursement of gifts donated to the library
- Defining a positive relationship between the Board, the staff, and the Friends
