The Town of Eaton is introducing a street sweeping schedule to keep our streets clean from now through October!

Please move your vehicles off of the street to allow for the street sweeper to clean more efficiently and effectively. Sweeping begins at 5 a.m. **Each zone will be swept every six weeks on Wednesdays through October.**

First sweeping: The first sweep may take longer since it is the first one of the season, so please plan to keep vehicles off the streets both Wednesday and Thursday of the first sweep in your zone.
